Community Centre Management Committee Meeting

The meeting was held on 12 February 2019. During the meeting the following matters were discussed.

- Quotes are being sought for the painting of the Committee Room.
- Parish Council and Tuesday Lunch equipment is being removed from the Kitchen and Store Cupboards on a regular basis. Lockable cupboards and the store are to be kept locked and stored in the office. The pilfering will be monitored
- Over the last couple of weeks a number of pieces of post have not been received, the situation is to be monitored and a sign put at the front of the building where the post box is situated.
- The take up of the hiring of the hall and bar has been relatively low, advertising is to continue in the newsletter, boosting on Facebook, and inclusion on various hall websites and to keep mentioning the Centre in articles in grassroots.
- The hire charges were considered, regular bookings are on the whole being retained and there has been an increase in children's parties. Hire fees will exceed the budget set for 2018/19 and it

is to be recommended to Council that the Community Centre charges are kept the same for 2019/20.

- Over the last few years the Centre has closed in for two weeks in August, the type of regular bookings has now changed and a hall and bar booking has been scheduled in for this period and it to be trialled to keep the Centre open all August.
- Due to a growing number of parents and young children attending the Tuesday Lunch, three or four highchairs are to be purchased from the Lunch funds

Resolved: To approve the recommendations of the Community Centre Management Committee
