Correspondence has been received from a resident with regard to concerns over the removal of the speed camera on Ringwood Road, Derbyshire County Council have suggested that the Parish Council apply for a grant to pay for a speed indication device that we would need to maintain and analyse the data. Due to the huge amount of resource that this would take to a small Parish Council the clerk has requested that Derbyshire County Council put down the speed and volume of traffic lines so that we can make an informed decision in the future.
